- 10.5 In accordance with Regulation 6 of the Buyback Regulations, the reservation for small shareholders will be higher of (a) 15% of the number of Equity Shares which the Company proposes to buyback or (b) such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date
- 10.6 Based on the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs to. The final number of Equity Shares that the Company shall purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder. In order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common permanent account number ("PAN") for determining the category (small shareholder or general) and entitlement under Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical or where the PAN of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories.
- 10.7 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.
- 10.8 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on
- 10.9 The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account
- 10.10 The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement under the Buyback will be done using the mechanism notified under the SEBI Circulars.
- 10.11 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to the Eligible Shareholder(s).
