The Scheme inter alia provides for:

- i) Amalgamation of SAPL with SPRL;
- ii) The appointed date as specified in the scheme is 01.04.2018, subject to the directions of this Tribunal;
- iii) Transfer of the authorized share capital of SAPL to SPRL and consequential increase in the authorized share capital of SPRL;
- iv) Issue and allotment of fully paid up Non-Participating, Redeemable, Non-Convertible, Cumulative Preference Share of SPRL and payment of Cash Consideration by SPRL in accordance with Part III of the Scheme;
- v) Dissolution of SAPL without winding up;
- vi) Cancellation of the equity shares issued by SAPL to its member pursuant to Part II of the Scheme;
- vii) Alteration of Clause V of the Memorandum of Association of SPRL
- viii) Various other matters consequential or incidental to or otherwise integrally connected with the above.

The aforesaid are only some of the salient extracts of the proposed Scheme of Amalgamation between the Applicant Companies. Copy of Scheme of Amalgamation is enclosed as Annexure 1. Certain clauses of the Scheme are extracted below:

**4. TRANSFER & VESTING OF UNDERTAKING**

- 4.1 *With effect from the Appointed Date, the whole of the Merged Undertaking, comprising inter-alia all assets and liabilities of whatsoever nature and wheresoever situated, shall, under the provisions of Section 230 read with Section 232 and all other applicable provisions, if any, of the Act, without any further act or deed, be transferred to and vested in and/ or be deemed to be transferred to and vested in SPRL as a going concern so as to become as and from the Appointed Date the assets and liabilities of SPRL and to vest in SPRL all the rights, title, interest or obligations of SAPL therein.*
- 4.2 *All assets acquired by SAPL after the Appointed Date and prior to the Effective Date shall also stand transferred to and vested in SPRL upon the coming into effect of the Scheme. Where any of the assets of SAPL as on the Appointed Date deemed to be transferred to SPRL have been sold or transferred by SAPL after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of SPRL. As regards transfer of specified movable assets, Clauses 4.3 and 4.4 below provide for the physical mode of effecting transfer.*
- 4.3 *In respect of such of the assets of the Merged Undertaking as are movable in nature or are otherwise capable of transfer by manual delivery, by paying over or by endorsement and delivery, the same may be so delivered, paid over, or endorsed and delivered, by SAPL and shall become the property of SPRL as an integral part of the Merged Undertaking transferred to it. The aforesaid transfer shall be deemed to take effect from the Appointed Date without requiring any deed or instrument of conveyance for the same. Such transfer may not be liable to stamp duty in accordance with law. Such delivery shall be made on a date mutually agreed upon between the Board of Directors of SPRL and the Board of Directors of SAPL.*
- 4.4 *With effect from the Appointed Date and upon the Scheme becoming effective, the land with the buildings standing thereon, commercial spaces, as given in **Schedule – II**, held by Transferor Company, and any documents of title or rights and easements in relation thereto shall be vested in and transferred to and/or be deemed to have been transferred to and vested in the Transferee Company and shall belong to the Transferee Company. With effect from the Effective Date, the Transferee Company shall be liable for ground rent and municipal taxes in relation to properties subject to such taxes, if any. Upon the Scheme becoming effective, the title to such immovable properties shall be mutated and transferred by appropriate authorities, in accordance with terms hereof, in favour of the Transferee Company.*
- 4.5 *All debts, advance tax, loans and advances recoverable in cash or in kind or for value to be received, deposits, outstanding and receivables of Merged Undertaking/ SAPL other than the movable assets specified in Clause 4.3 shall on and from the Appointed Date stand transferred to and vested in SPRL without any further actions or deed (although SPRL may, if it deems appropriate, give notice to the third*

party that the debts, outstanding and receivables do stand transferred to and vested in SPRL), and the debtors shall be obliged to make payments to SPRL on and after the Effective Date.

- 4.6 With effect from the Appointed Date, all debts payable, liabilities, contingent liabilities, duties and obligations of every kind, nature and description of Merged Undertaking/ SAPL shall also, under the provisions of Sections 230 to 232 of the Companies Act 2013, without any further act or deed, be transferred to or be deemed to be transferred to SPRL so as to become as and from the Appointed Date the debts payable, liabilities, contingent liabilities, duties and obligations of SPRL.
- 4.7 Where any of the liabilities and obligations, if any, of the Merged Undertaking/ Transferor Company, as on the Appointed Date, transferred to the Transferee Company has been discharged by the Transferor Company after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of the Transferee Company.
- 4.8 All loans raised and utilized and all debts, duties, undertakings, liabilities and obligations, if any, incurred or undertaken by the Merged Undertaking/ Transferor Company, after the Appointed Date and prior to the Effective Date shall be deemed to have been raised, used, incurred or undertaken for and on behalf of the Transferee Company and to the extent they are outstanding on the Effective Date, shall, upon the coming into effect of this Scheme, pursuant to the provisions of section 232 of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to and vested in the Transferee Company and shall become the debt, duties, undertakings, liabilities and obligations of the Transferee Company.
- 4.9 The transfer and vesting of the Merged Undertaking as aforesaid, shall be subject to the existing securities, charges and mortgages, if any, subsisting over or in respect of the property and assets or any part thereof of SAPL.

Provided however that any reference in any security documents or arrangements (to which SAPL is a party) to the assets of SAPL offered or agreed to be offered as security for any financial assistance or obligations, shall be construed as reference only to the assets pertaining to the Merged Undertaking of SAPL as are vested in SPRL by virtue of this Scheme, to the end and intent that such security, charge and mortgage shall not extend or be deemed to extend, to any of the other assets of SAPL or any of the assets of SPRL.

Provided always that this Scheme shall not operate to enlarge the security for any loan, deposit or facility created by SAPL which shall vest in SPRL by virtue of merger of SAPL into SPRL and SPRL shall not be obliged to create any further or additional security after the Scheme has become operative.

**5. CONSIDERATION AND RE-ORGANISATION OF SHARE CAPITAL**

- Part IV: Other conditions applicable to the Scheme

**1.2 RATIONALE OF THE SCHEME**

Both the companies are in similar line of business and consolidation is expected to bring strengths that each company may not necessarily possess individually. In order to optimally utilize the available resources and to achieve synergies in the combined business entity, the Board of Directors of the Transferor Company and the Transferee Company decided to merge and amalgamate the Transferor Company into the Transferee Company. The merger and amalgamation will result in better, efficient and economical management, help in increasing sales in both Domestic & Exports After Market, achieve cost savings, pooling of resources, reduction in administrative and operational expenses and greater control. Without prejudice to the generality of the above, the proposed amalgamation is expected to achieve the following objectives in particular:

- (a) Help in increasing sales in both Domestic & Exports After Market
- (b) Economize on administrative and other expenses;
- (c) Increase the efficiency of combined business by pooling of resources and their optimum utilization, thereby availing synergies from combined resources;

232 of the Act, without any further act, instrument or deed be and stand transferred to or vested in or be deemed to have been transferred to and vested in the Transferee Company and shall become the debt, duties, undertakings, liabilities and obligations of the Transferee Company.

- 4.9 The transfer and vesting of the Merged Undertaking as aforesaid, shall be subject to the existing securities, charges and mortgages, if any, subsisting over or in respect of the property and assets or any part thereof of SAPL.

Provided however that any reference in any security documents or arrangements (to which SAPL is a party) to the assets of SAPL offered or agreed to be offered as security for any financial assistance or obligations, shall be construed as reference only to the assets pertaining to the Merged Undertaking of SAPL as are vested in SPRL by virtue of this Scheme, to the end and intent that such security, charge and mortgage shall not extend or be deemed to extend, to any of the other assets of SAPL or any of the assets of SPRL.

Provided always that this Scheme shall not operate to enlarge the security for any loan, deposit or facility created by SAPL which shall vest in SPRL by virtue of merger of SAPL into SPRL and SPRL shall not be obliged to create any further or additional security after the Scheme has become operative.

## 5. CONSIDERATION AND RE-ORGANISATION OF SHARE CAPITAL

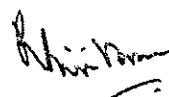

Upon Scheme becoming effective and without any further application, act, instrument or deed, the Transferee Company, in consideration of the transfer and vesting of the Merged Undertaking (with all its assets, liabilities, rights and obligations) of the Transferor Company in the Transferee Company, the Transferee Company shall issue and allot on the proportionate basis to all the members of the Transferor Company whose name is entered in the register of members of the Transferor Company as on the Record Date ("**Members**") or to such of their respective heirs, executors, administrators or other legal representatives or other successors in title as may be recognized by the Board of Transferor Company, not later than 30 Days from the date of scheme of merger and amalgamation becoming effective, a total of 28,85,760 (Twenty Eight Lac Eighty Five Thousand Seven Hundred Sixty), 4.2% fully

Company shall not be required to pay any fees/ stamp duty on the authorized share capital so increased.

- 10.3 All steps for reorganizing of share capital and changes to the memorandum of association of the companies under this Scheme, shall be undertaken as an integral part of this Scheme in accordance with the provisions of Sections 230 to 232 of the Act read with Sections 5, 13, 14, 42, 52, 61, 62 of the Companies Act, 2013 or other applicable Sections of the Act and no other steps or procedures would need to be undertaken by the concerned companies to give effect to the same. Consequential changes shall also apply with respect to the existing issued, subscribed and paid up capital of the Transferor Company and the Transferee Company.

## 11. DISSOLUTION OF TRANSFEROR COMPANY

On the Scheme coming into effect, the Transferor Company shall, without any further act or deed, stand dissolved without the process of winding up.

## 12. LEGAL PROCEEDINGS

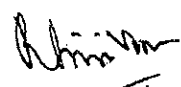

- 12.1 All legal proceedings of whatsoever nature by or against the Transferor Company pending and/ or arising at the Appointed Date and relating to the Transferor Company or its properties, assets, debts, rights, liabilities, duties and obligations referred to in Clause 2.1 (f), shall be continued and/ or enforced until the Effective Date as desired by the Transferee Company and as and from the Effective Date shall be continued and enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued and enforced by or against the Transferor Company. On and from the Effective Date, the Transferee Company shall and may, if required, initiate any legal proceedings in its name in relation to the Transferor Company in the same manner and to the same extent as would or might have been initiated by the Transferor Company.

- 12.2 After the Appointed Date, if any proceedings are taken against the Transferor Company, the same shall be defended by and at the cost of the Transferee Company.

### 13. STAFF, WORKMEN AND EMPLOYEES

- 13.1 On the coming into effect of the Scheme, all staff and employees of SAPL in service on such date shall be deemed to have become staff and employees of SPRL in accordance with the prevailing policies of SPRL without any break in their service and on the basis of continuity of service and the terms and conditions of their employment with SPRL in terms of overall monetary benefits shall not be less favourable than those applicable to them with reference to SAPL on the Effective Date.
- 13.2 Upon the Scheme coming into effect, all staff welfare schemes including the existing Provident Fund, Gratuity Fund and/ or schemes and trusts, including employee's welfare trust, created by SAPL for its employees shall be transferred to SPRL. SAPL shall make such arrangements or enter into such agreements for the continuance or transfer, where applicable, of the Provident Fund, Gratuity Fund and/ or schemes and trusts, including employee's welfare trust, pursuant to the Scheme, to SPRL. All obligations of SAPL with regard to the said Fund or Funds as defined in the respective trust deed and rules shall be taken over by SPRL from the Effective Date to the end and intent that all rights, duties, powers and obligations of SAPL in relation to such Fund or Funds shall become those of SPRL and all the rights, duties and benefits of the employees employed in SAPL under such Funds and Trusts shall be fully protected, subject to the provisions of law for the time being in force. It is clarified that the services of the staff, workmen and employees of SAPL will be treated as having been continuous for the purpose of the said Fund or Funds.
- 13.3 Upon the coming into effect of this Scheme, the Directors of the Transferor Company, will not be entitled to any representation on the Board of Directors in the Transferee Company by the virtue of the provisions of this Scheme. It is clarified that this Scheme will not affect any person who is already a Director in the Transferee Company as on the Appointed Date from continuing as whether including Whole Time Director.

### 14. TREATMENT OF TAXES

- 14.1 The Tax Deducted at Source (TDS)/advance tax including MAT credit entitlement, provision for income tax, if any, paid by the Transferor Company under the Income Tax Act, 1961 or any other statute in respect of income of the Transferor Company assessable for the period commencing from Appointed Date shall be deemed to be the tax

deducted from/advance tax paid by the Transferee Company and credit for such TDS/advance tax (including MAT credit) shall be allowed to the Transferee Company notwithstanding that certificates or challans for TDS/advance tax/ MAT are in the name of the Transferor Company and not in the name of the Transferee Company. The income tax, if any, paid by the Transferor Company on or after the Appointed Date, in respect of income assessable from that date, shall be deemed to have been paid by or for the benefit of the Transferee Company. The Transferee Company shall, after the Effective Date, be entitled to file the relevant returns with the authorities concerned for the period after the Appointed Date notwithstanding that the period for filing such return may have elapsed. Further, the Transferee Company shall, after the Effective Date, be entitled to revise the relevant returns, if any, filed by the Transferor Company for any year, if so necessitated or consequent to this Scheme becoming effective; notwithstanding that the time prescribed for such revision may have elapsed.

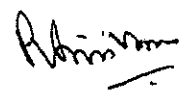

- 14.2 The wealth tax, if any, paid by the Transferor Company in respect of its assets under the Wealth Tax Act, 1957, on or after the Appointed Date shall be deemed to have been paid by the Transferee Company. The Transferee Company shall, after the Scheme becomes effective, be entitled to file the wealth tax return for the relevant valuation date notwithstanding that the time prescribed for filing such returns may have lapsed. Further the Transferee Company shall, after the Scheme becomes effective, be entitled to revise the wealth tax returns, if any, filed by the Transferor Company for any year if so necessitated or consequent to this Scheme becoming effective; notwithstanding that the time prescribed for such revision may have elapsed.
- 14.3 Similarly, any other taxes including but not limited to excise duty, CENVAT, Cess, GST, input credit tax, value added tax, sales tax etc. paid by the Transferor Company on or after the Appointed Date, in respect of the period after such date shall be deemed to have been paid by or for the benefit of the Transferee Company. The Transferee Company shall, after the Effective Date, be entitled to file the relevant returns with the authorities concerned for the period after the Appointed Date, notwithstanding that the time prescribed for filing such return may have elapsed. Further, the Transferee Company shall, after the Effective Date, be entitled to revise the relevant returns, if any, filed by the Transferor Company for any year, if so necessitated or consequent to this Scheme becoming effective, notwithstanding that the time prescribed for such revision may have elapsed.

**PART IV – OTHER CONDITIONS APPLICABLE TO THE SCHEME**

**16. APPLICATIONS TO TRIBUNAL**

- 16.1 The Transferee Company and the Transferor Company shall, with all reasonable dispatch, make applications to the Tribunal under Section 230 of the Act, seeking orders for dispensing with or convening, holding and conducting of the meetings of the respective classes of the shareholders and/ or creditors of the Transferor Company and the Transferee Company as may be directed by the Tribunal.
- 16.2 That the Scheme, in no way, is a Scheme of compromise or arrangement with the creditors as all the creditors of the Transferor Company and the Transferee Company will be paid in the usual course of business and therefore, the present Scheme of Amalgamation will not be affecting the rights of the creditors of the Transferor and Transferee Companies in any manner as the aggregate assets of the Transferor Company and the Transferee Company are more than sufficient to meet the liabilities of all the creditors of the Transferor Company and the Transferee Company in full.
- 16.3 On the Scheme being agreed to by the requisite majorities of the classes of the shareholders and/ or creditors of the Transferee Company and the Transferor Company as directed by the Tribunal or their meetings dispensed with, the Transferee Company and the Transferor Company shall, with all reasonable dispatch, apply to the Tribunal, for sanctioning the Scheme under Sections 230 to 232 of the Act and other provisions of the Act (if any) and for such other order or orders, as the said Tribunal may deem fit for carrying this Scheme into effect and for dissolution of the Transferor Company without winding up.
- 16.4 The Transferee Company may, if required, give notice in such form as it may deem fit and proper to each person, debtor or borrower, statutory or regulatory authorities as the case may be that pursuant to the Tribunal having sanctioned the Scheme, the said person, debtor or borrower shall pay the debt, loan or advance or make good the same or hold the same to its account and that the right of the Transferee Company to recover or realize the same is in substitution of the right of the Transferor Company.

## 17.1 TAXATION SYSTEM

- 17.1.1 The merger and amalgamation in accordance with this Scheme shall be pursuant to and in compliance with the provisions of Section 2(1B) of the Income-tax Act, 1961, or any modification or re-enactment thereof.
- 17.1.2 If any terms or provisions of this Scheme are found to be or interpreted to be inconsistent with any of the said provisions at a later date, whether as a result of any amendment of law or any judicial or executive interpretation or for any other reason whatsoever, the Scheme shall then stand modified to the extent determined necessary to comply with the said provisions. Such modification will, however, not affect other parts of this Scheme.

## 17.2 APPLICATION(S) TO THE NCLT

- 17.2.1 The Transferor Company and the Transferee Company shall make application/petition under Section 230 to 232 and other applicable provisions of the Companies Act to the NCLT, as necessary, inter alia, to seek order for dispensing with or for convening, holding or conducting of the meetings of their respective shareholders and creditors, sanctioning of this Scheme and for consequent actions including for dissolution of the Transferor Company without winding up and further application/petition under Sections 230 to 232 and other applicable provisions of the Companies Act including for sanction/confirmation/clarification of the Scheme or connected therewith, as necessary.

## 17.3 REVISION OF ACCOUNTS AND TAX FILINGS, MODIFICATION OF CHARGE

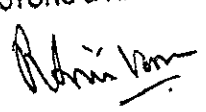

- 17.3.1 Upon this Scheme becoming effective and from the Appointed Date, the Transferee Company is expressly permitted to revise and file its income tax returns and other statutory returns, including tax deducted at source returns, services tax returns, excise tax returns, sales tax and value added tax returns, goods and services tax returns as may be applicable and has expressly reserved the right to make such provisions in its returns and to claim refunds or credits etc, if any. Such returns may be revised and filed notwithstanding that the statutory period for such revision and filing may have lapsed.

17.3.2 Filing of the certified copy of the order of the NCLT sanctioning this Scheme with the relevant Registrar of Companies shall be deemed to be sufficient for creating or modifying the charges in favor of the secured creditors, if any, of the Transferor Company, as required as per the provisions of this Scheme.

#### 17.4 MUTATION OF PROPERTY AND STAMP DUTY

17.4.1 Upon the Scheme becoming effective and with effect from the Appointed Date, the title to the immovable properties of the Transferred Undertaking shall be deemed to have been mutated and recognized as that of the Transferee Company and the mere filing of the certified true copy of the vesting order of the NCLT sanctioning the Scheme with the appropriate Registrar or Sub-registrar of Assurances or with the relevant Government agencies shall suffice as record of continuing title of the immovable properties of the Transferred Undertaking with the Transferee Company pursuant to the Scheme becoming effective and shall constitute a deemed mutation and substitution thereof.

17.4.2 Since all movable properties belonging to the Transferor Company shall be transferred by way of delivery and possession, no stamp duty shall be payable on transfer of such properties to Transferee Company in terms of the Scheme.

#### 17.5 MODIFICATIONS AND AMENDMENTS TO THE SCHEME

17.5.1 Notwithstanding anything to the contrary contained in this Scheme, the Transferor Company and the Transferee Company (acting through their respective Board of Directors or a committee thereof or authorised representatives) may make or assent, from time to time, to any modifications, amendments, clarifications or confirmations to this Scheme, which they deem necessary and expedient or beneficial to the interests of the stakeholders and the NCLT.

17.5.2 The Transferor Company and the Transferee Company (acting through their respective Board of Directors or a committee thereof or authorised representatives) shall be authorised to take all such steps and give such directions, as may be necessary, desirable or proper, to resolve any doubts, difficulties or questions that may arise in regard to and of the

meaning or interpretation of this Scheme or implementation thereof or in any manner whatsoever connected therewith, whether by reason of any directive or orders of the NCLT or any other authorities or otherwise, howsoever arising out of or under or by virtue of this Scheme or any matter concerned or connected therewith and to do and execute all acts, deeds, matters and things necessary for giving effect to this Scheme.

17.5.3 For the purpose of giving effect to this Scheme or to any modifications or amendments thereof or additions thereto, the delegate of the Transferor Company and the Transferee Company may give and are hereby authorised to determine and give all such directions as are necessary and such determination or directions, as the case may be, shall be binding on all parties, in the same manner as if the same were specifically incorporated in this Scheme.

**17.6 REVOCATION AND WITHDRAWAL OF THIS SCHEME**

The Board of Directors of the Transferor Company and the Transferee Company shall be entitled to revoke, cancel, withdraw and declare this Scheme to be of no effect at any stage, but before the Effective date, and where applicable re-file, at any stage in case (a) this Scheme is not approved by the NCLT or if any other consents, approvals, permissions, resolutions, agreements, sanctions and conditions required for giving effect to this Scheme are not received or delayed; (b) any condition or modification imposed by the NCLT and/or any other authority is not acceptable; (c) the coming into effect of this Scheme in terms of the provisions hereof or filing of the drawn up order(s) with any Governmental Authority could have adverse implication on the Transferor Company and/or the Transferee Company; or (d) for any other reason whatsoever, and do all such acts, deeds and things as they may deem necessary and desirable in connection therewith and incidental thereto. On revocation, cancellation or withdrawal, this Scheme shall stand revoked, cancelled or withdrawn and be of no effect and in that event, no rights and liabilities whatsoever shall accrue to or be incurred inter se between the Transferor Company and the Transferee Company or their respective shareholders or creditors or employees or any other person, save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which

has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out in accordance with the applicable law and in such case, each party shall bear its own costs, unless otherwise mutually agreed.

#### 17.7 SEVERABILITY

If any part of this Scheme is held invalid, ruled illegal by any court of competent jurisdiction, or becomes unenforceable for any reason, whether under present or future laws, then it is the intention of both the Transferor Company and the Transferee Company that such part of the Scheme shall be severable from the remainder of this Scheme and this Scheme shall not be affected thereby, unless the deletion of such part of the Scheme shall causes this Scheme to become materially adverse to either the Transferee Company or the Transferor Company, in which case the Transferor Company and the Transferee Company shall attempt to bring about a modification in this Scheme, as will best preserve for the parties the benefits and obligations of this Scheme, including but not limited to such part of the Scheme.

#### 17.8 COSTS AND EXPENSES

All costs, expenses, charges, taxes, fees and all other expenses, if any, including stamp duty and registration charges, if any, arising out of or incurred in carrying out and implementing the terms of this Scheme and the incidentals thereto shall be borne and paid by the Transferee Company.

### 18 CONDITIONALITY OF THE SCHEME

18.1 This Scheme is conditional upon and subject to all of the following:

- (a) approval of Scheme by SEBI in terms of the SEBI Circulars and the Stock Exchanges pursuant to Regulation 37 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015.
- (b) the consents by the requisite majority of the shareholders and/ or creditors, if any, of the Transferor Company and Transferee Company to the Scheme, if required or their meeting being dispensed with; and the requisite orders of the Hon'ble Tribunal sanctioning the Scheme in exercise of the powers vested in it under the Act;

- (c) such other sanctions and approvals including sanctions of any government or regulatory authority as may be required by law in respect of the Scheme;
- (d) approval of the scheme by the public shareholders of the Transferee Company in accordance with the provisions of the SEBI Circular No. CFD/DIL3/CIR/2017/21 dated 10.03.2017 and as may be amended from time to time, while providing for voting by public shareholders e-voting, after disclosure of all material facts in the explanatory statement sent to the shareholders in relation to such resolution and the Scheme shall be acted upon only if the votes cast by the public shareholders in favor of the proposal are more than the number of votes cast by the public shareholders against it.
- (e) the certified copies of the Tribunal order being filed with the jurisdictional Registrar of Companies by the Transferor Company and the Transferee Company.

18.2 The approval to this Scheme under Sections 230 to 232 of the Act by the shareholders and/or creditors of the Transferor Company and Transferee Company, shall be deemed to have the approval of the shareholders and/or creditors, as the case may be, for all matters under the applicable provisions of the Act, rules and regulations made there under, including but not limited to Sections 5, 13, 14, 42, 52, 61, 62 and 66 of the Companies Act, 2013 and rules made thereunder.

## 19. EFFECT OF NON-APPROVALS

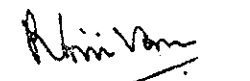

In the event any of the said sanctions and approvals referred to in Clause 18 above not being obtained and/ or the Scheme not being passed as aforesaid before September 30, 2019 or within such further period or periods as may be agreed upon between Transferee Company by its Directors and the Transferor Company by its Directors (and which the Board of Directors of the Company are hereby empowered and authorised to agree to and extend from time to time without any limitations), this Scheme of merger and Amalgamation shall stand revoked, cancelled and be of no effect and null and void save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as may otherwise arise in law and in such

event each party shall bear their respective costs, charges and expenses in connection with the Scheme.

## 20 COMPETITION ACT

This Scheme does not impair competition and does not emanate any dominant position to the Transferee Company or any of its shareholders and as such there is no appreciable change in the structure.

## 21 COSTS, CHARGES AND EXPENSES

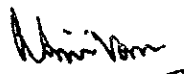

All costs, charges, taxes including duties (including the stamp duty and/ or transfer charges, if any, applicable in relation to this Scheme), levies, fees and all other expenses, if any (save as expressly otherwise agreed) of SPRL and SAPL arising out of or incurred in carrying out and implementing this Scheme and matters incidental thereto shall be borne and paid by SPRL. These shall be deemed as expenses of the Scheme.

## VALUATION REPORT

### 1. THE ASSIGNMENT

JC Bhalla & Co. (hereinafter "Valuer" or "We") have been appointed to prepare and deliver a valuation report on the fair market value of a 100% equity of SAPL as of March 31, 2018. Accordingly, we carried out the valuation which provides an independent opinion on the fair market value of the Subject Interest as of the valuation date.

Client Name	Shriram Pistons & Rings Ltd. (SPRL)
Engagement Officer	Mr. R. Srinivasan
Subject Interest of valuation	100% Equity of SAPL
Purpose of Assignment	<ul style="list-style-type: none"> <li>- To assist the management in establishing the fair market value of a 100% equity of SAPL for the purpose of amalgamation of SAPL and SRPL</li> <li>- Arrive at basis for Discharge of Consideration</li> </ul>
Standard of Value	Fair Market Value (CAS-1)
Premise of Value	Going concern
Level of value	Controlling, Marketable
Valuation Date (Measurement date)	March 31, 2018

### 2. INTENDED USE OF THE VALUATION REPORT

The intended use of the valuation report is to determine an estimate of the fair market value of a 100% equity of SAPL for the proposed amalgamation of SAPL and SRPL as of March 31, 2018.

### 3. INTENDED USER OF THE VALUATION REPORT

This Valuation Report may be placed before the Audit Committee and Board of Directors of both SAPL and SPRL and may be produced before judicial, regulatory or government authorities in connection with the Scheme of Amalgamation.

#### 4. DATE OF THE VALUATION REPORT

The date of the valuation report for this assignment is May 10, 2018.

#### 5. COMPANY DESCRIPTION

Incorporated in 1982, SAPL (erstwhile known as Canind Sales Pvt. Ltd) is a company having its registered office at New Delhi, India. It is an associate of Shriram Pistons & Rings Limited. The company has been in the business of sales & marketing of auto components like cylinder liners/blocks, crankshafts, clutch plates, lubricants etc.

#### 6. VALUATION STANDARDS AND BEST PRACTICES

The fair value has been estimated in accordance with the business valuation practice standards issued by the ICAI (Institute of Chartered Accountants of India) referred to as CAS-1 (Corporate Affairs Standards).

CAS 1 issued by ICAI defines the term 'standard of value' as under:

"the identification of the type of value being utilized in a specific engagement; for example, fair market value (FMV), fair value, investment value".

Considering the purpose of valuation, the 'standard of value' for the estimation of the FMV of a 100% equity stake on a standalone controlling marketable interest basis as on the valuation date is 'Fair Market Value'.

The term Fair Market Value is defined as under:

"the price, expressed in terms of cash equivalents, at which property would change hands between a hypothetical willing and able buyer and a hypothetical willing and able seller, acting at arm's length in an open and unrestricted market, when neither is under compulsion to buy or sell and when both have reasonable knowledge of the relevant facts".

#### 7. VALUATION APPROACHES AND METHODS

The valuation process has been applied to develop a well-supported estimate of a defined value based on consideration of available and relevant information. For estimating fair market value of unquoted equity shares, three generally accepted valuation approaches are considered namely asset or cost, market and income. The selection and application of one or more of these generally accepted approaches depends upon the purpose of valuation, subject transaction, and the quality and quantity of information available for analysis.

Considering the purpose of valuation and based on the available information, we have used DCF (Discounted Cash Flow) method of income approach and trading multiples of market approach for estimating the value of equity stake. We have not considered asset approach of valuation as this is used less in the valuation of operating companies.

We reviewed financial projections provided by the management of SAPL. The valuation process included consideration of factors affecting the operations of SAPL and its ability to generate future cash flows through operations.

The factors considered in our analysis inter-alia included:

- The nature and historical background of SAPL.
- Financial and economic conditions affecting the business of SAPL and its industry.
- Historical financial results of SAPL
- Trends and outlook of auto component industry

## 8. VALUATION ANALYSIS

A valuation of a business, a business interest is performed 'as of' a specific date. This date generally, serves as a critical cut-off point, as the valuer considers what was known or foreseeable at this date. It is a settled principle in valuation that market conditions and evidence of values must reflect those available as on the valuation date. Accordingly, we reviewed the historical performance of SAPL and information available in public domain about auto component industry and companies.

## 9. COMPUTATION OF FAIR MARKET VALUE

### 9.1 Income Approach - Discounted Cash Flow Method

DCF is a method within the income approach whereby the present value of future expected net cash flows is calculated using a discount rate. The two key components in DCF model are "future expected cash flows" and "discount rate". The change in value is positively related to the cash flows and negatively related to the discount rate. The value of operating assets under DCF method is determined as under.

- |                 |  |
|-----------------|--|
| <b>Step I</b>   | Estimation of FCFF (Free Cash Flows to the Firm)                               |
| <b>Step II</b>  | Development of a discount rate or required rate of return consistent with FCFF |
| <b>Step III</b> | Discounting of the explicit projection period FCFF                             |
| <b>Step IV</b>  | Estimation of the terminal value   |

**Step V** Summing up the present value of the explicit projection period FCFF and the terminal value

In order to determine value of the firm (i.e. value of operating assets and non-operating assets) value of non-operating asset, if any, as of the valuation date is added to the value of operating assets determined in Step V above. Further, Interest bearing liabilities are subtracted from the value of the firm in order to derive the value of equity.

**Calculation of present value of FCFF and Terminal Value, and value of Operating Assets of SAPL**

Particulars	INR lacs
Value of firm before mid-year adjustment	4,106.75
<b>Value of firm after mid-year adjustment</b>	<b>4,397.77</b>

**9.2 Market Approach – Trading Multiple Method**

The market approach is defined in the International Glossary of Business Valuation Terms as "a general way of determining a value indication of a business, business ownership interest, security, or intangible asset by using one or more methods that compare the subject to similar businesses, business ownership interests, securities, or intangible assets that have been sold".

There are two methods of valuation under market approach namely guideline merged and acquired (transaction) method and guideline public company method. We have used the second method.

Considering the nature of business of the Subject Company and availability of reliable data, the most suitable multiple is identified below:

MVIC/ EBITDA

For the purpose of Subject Company valuation, we have used normalized MVIC (Market Value of Invested Capital) which is computed as under

MVIC=Number of shares x MPS + book value of debt + minority interest - CWIP- non operating investment.

Value estimation using multiples

The EBITDA multiple (MVIC/EBITDA) estimated for the valuation is 8.80 and the following steps were used for the computation of the same. The multiple based on data of comparable companies (comps) has been computed as under:

Step I MVIC/EBITDA for all the comps individually

Step II simple average of all the figures computed above

Step III Multiple = 1/ Average multiple computed in Step II above

### Value under Market Approach:

On the basis of above analysis, we have estimated the following value:

Particulars	INR lacs
Value of Operating Assets	3652.89

### 9.3 Value Conclusion

Under this process we attempt to estimate a single value by assigning weights under various methods. Weight assignment is a subjective process and it can vary based on judgement and analysis. We have given 80% weights to DCF and 20% to the value estimated under market approach. The lower weight to market approach is given because there is only one listed guideline company akin to the Subject Company. The FMV of 100% equity of SAPL is estimated as under:

Particulars	Market Approach	Income Approach	INR Lacs
Value of Operating Assets (INR lacs)	3652.89	4,397.77	
Weight	20%	80%	
Weighted value of Operating Assets (INR lacs)	730.58	3,518.22	4,248.80
Add: DTA			51.26
Add: Non-Current Assets			12.79
Add: Non-Operating Cash			79.86
Less: Non-current Liabilities			-124.04
Less: Interest bearing debts			-264.88
<b>Value of Equity</b>			<b>4,003.80</b>

### 10. CERTIFICATION OF THE FAIR MARKET VALUE

We certify that, to the best of our knowledge and belief:

- The statements of fact contained in the valuation report are true and correct.
- The reported analyses, opinions and conclusions are limited by the reported assumptions and limiting conditions, and are our personal, impartial, and unbiased professional analyses, opinions and conclusions.
- We have no present or prospective interest in SAPL and we have no personal interest with respect to the parties involved.
- We have no bias with respect to any matter that is the subject of the valuation report or to the parties involved with this assignment.

- v. Our compensation for completing this assignment is not contingent upon the reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the value opinion, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this valuation.

#### Summary of Our Opinion

Based on our analysis, we are of the opinion that the Fair Market Value of 100% equity of SAPL in accordance with CAS-1 is **INR 4003.80 Lakhs**.

We have been informed by the Management of SPRL that the consideration of Amalgamation of SAPL with SPRL would be discharged as under:

- 1. Allotment of 24 (Twenty Four) Nos. of 4.2% fully paid up Non-Participating, Redeemable, Non-Convertible, Cumulative Preference Shares of Rs. 100 each, of SPRL for every 1 (one) equity share of SAPL.**

**AND**

- 2. Balance consideration to be paid in Cash**

In our opinion, the consideration of Amalgamation of SAPL with SPRL be discharged as under:

- 1. Allotment of 24 (Twenty Four) Nos. of 4.2% fully paid up Non-Participating, Redeemable, Non-Convertible, Cumulative Preference Shares of Rs. 100 each, of SPRL at par for every 1 (one) equity share of SAPL.**
- 2. Payment of Cash consideration of Rs. 930/- (Rupees Nine Hundred Thirty only) for every 1 (one) equity share of SAPL by suitably rounding off the consideration value in cash per share.**

**INDEPENDENT AUDITOR'S REPORT**

**TO THE MEMBERS OF  
SHRIRAM AUTOMOTIVE PRODUCTS LIMITED**

**Report on the Standalone Financial Statements**

We have audited the accompanying financial statements of **SHRIRAM AUTOMOTIVE PRODUCTS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the preparation of these Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The Board of Directors of the company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Ind AS financial statements by the Directors of the Company.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

## ANNEXURE-"B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Ind As financial statements of the Company as of and for the year ended 31 March, 2018 we have audited the internal financial controls over financial reporting of SHRIRAM AUTOMOTIVE PRODUCTS LIMITED ("the Company") as of that date.

### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the company are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Director

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention and timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**33. Significant Accounting Policies**

**A. Statement of Compliance with Ind AS**

These financial statements have been prepared voluntarily in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. The Company adopted Ind AS from 1st April, 2017 voluntarily.

Up to the year ended 31st March, 2017, the Company prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006.

These are the Company's first financial statements prepared in accordance with Indian Accounting Standards (Ind AS). The date of transition to Ind AS is 1st April, 2016. Details of the exceptions and optional exemptions availed by the Company and principal adjustments along with related reconciliations are detailed in Note 34 (First-time Adoption).

**B. Basis of Preparation**

The financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

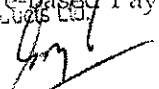

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the following fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102 - Share-based Payment, leasing

For Shiram Automotives Products Ltd.

  
Director

transactions that are within the scope of Ind AS 17 - Leases, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS-2 - Inventories or value in use in Ind AS 36 - Impairment of Assets.

All the amounts included in the financial statements are reported in Indian Rupees ('Rupees' or 'Rs.'), except per share data and unless stated otherwise and rounded off to nearest Rupees.

**C. Basis of classification of Current and Non-Current**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is classified as current when it is:

- a) Expected to be realized or intended to be sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realized within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

**D. Operating Cycle**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 - Presentation of Financial Statements.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

**E. Use of Estimates**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods

#### F. Property, Plant and Equipment - Tangible Assets

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs for qualifying assets, if any. All up-gradation/enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

Depreciation of these assets commences when the assets are ready for their intended use which is generally on commissioning. Items of property, plant and equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight-line basis. Land is not depreciated.

The estimated useful lives of property, plant and equipment of the Company are as follows:

Asset	Life of Asset
Buildings	30 Years
Computers & Peripherals	3 - 6 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years
Office Equipment	5 Years

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets or, where shorter, the term of the relevant lease. Property, plant and equipment's residual values and useful lives are reviewed at each Balance Sheet date and changes, if any, are treated as changes in accounting estimate.

#### G. Impairment of Assets

Impairment loss, if any, is provided to the extent, the carrying amount of assets or cash generating units exceed their recoverable amount.

Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortization or depreciation) had no impairment loss been recognised in previous years.

#### H. Inventories

Inventories are stated at lower of cost and net realizable value. The cost is calculated on First in First Out method. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Net realizable value is the estimated selling price less estimated costs for completion and sale.

#### I. Foreign Currency Transactions

The functional and presentation currency of the Company is Indian Rupee. Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Gains/ losses arising on settlement as also on translation of monetary items are recognised in the Statement of Profit and Loss.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Exchange differences arising on monetary items that, in substance, form part of the Company's net investment in a foreign operation (having a functional currency other than Indian Rupee) are accumulated in Foreign Currency Translation Reserve.

#### J. Financial Assets

**Recognition:** Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

**Classification:** Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

- a) **Amortised cost**, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- b) **Fair value through other comprehensive income (FVTOCI)**, where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- c) **Fair value through profit or loss (FVTPL)**, where the assets are managed in accordance with an approved investment strategy that triggers purchase and

Director

sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealized gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise. Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

**Impairment:** The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since initial recognition.

**Reclassification:** When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

**De-recognition:** Financial assets are de-recognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership.

Concomitantly, if the asset is one that is measured at:

- a) Amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- b) Fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

**Income Recognition:** Interest income is recognised in the Statement of Profit and Loss using the effective interest method. Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

**K. Financial Liabilities**

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/ settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

For Shriram Automotive Products Ltd.

  
Director

Financial liabilities are de-recognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

**L. Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**M. Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

**N. Equity Instruments**

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

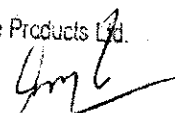

**O. Revenue**

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

- Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
  - Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
  - The amount of revenue can be measured reliably;
  - It is probable that the economic benefits associated with the transaction will flow to the Company; and
- a) **Sale of goods:** Revenue is measured at the fair value of the consideration received or receivable for goods supplied, net of returns and discounts to customers. Revenue from the sale of goods includes excise and other duties which the Company pays as a principal but excludes amounts collected on behalf of third parties, such as sales tax, value added tax and goods and services tax.
  - b) **Interest income:** Income from a financial asset is recognised when it is probable that the economic benefits will flow to Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the interest rate as applicable.
  - c) **Dividend income:** dividend is recognised when the right to receive the payment is established (generally on shareholder's approval by the reporting date).
  - d) **Other revenues:** are recognised on accrual basis, except where there are uncertainties in realisation / determination of income and in such case income is recognised on realisation / certainty.

**P. Dividend Distribution**

Dividends paid (including income tax thereon) is recognized in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders.

**Q. Employee Benefits**

**a) Retirement benefit costs and termination benefits :**

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contribution towards Provident Fund is paid as per the statutory provisions. These benefits are charged to the Statement of profit and loss of the year when they become due. For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets(excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the statement of profit and loss. Past service cost is recognised in the statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

**b) Short-term and other long-term employee benefits:**

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Leave availment / encashment benefit is provided as per Company Scheme. Employee's are entitled to accumulate leaves subject to certain limit as per Company scheme. Liabilities for compensated absence that are not expected to be settled wholly within 12 months after the end of the period in which the employees rendered the related service, are measured at the present value of expected future payment to be made in respect of service provided by employees up to the end of reporting period using the projected unit credit

method. The benefits are discounted using the market yields at the end of reporting period. Re-measurement as a result of experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss. The liability is determined through actuarial valuation using projected unit credit method.

#### R. Leases

Leases are recognised as a finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

##### a) Company as a Lessee

Assets used under finance leases are recognised as property, plant and equipment in the Balance Sheet for an amount that corresponds to the lower of fair value and the present value of minimum lease payments determined at the inception of the lease and a liability is recognised for an equivalent amount.

The minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the Statement of Profit and Loss.

Rentals payable under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the term of the relevant lease unless the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

##### b) Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessor under an operating lease, the asset is capitalized within property, plant and equipment and depreciated over its useful economic life. Payments received under operating leases are recognised in the Statement of Profit and Loss on a straight-line basis over the term of the lease.

#### S. Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred taxation.

##### a) Current Tax

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

b) **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity respectively.

c) **Minimum Alternate Tax**

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Group. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

**T. Claims**

Claims against the Company not acknowledged as debts are disclosed after a careful evaluation of the facts and legal aspects of the matter involved.

**U. Provisions**

Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is a best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

**V. Operating Segment**

The Company operates only in one is engaged in a single segment i.e. the business of "automotive components" from where it is earning its revenue and incurring expense. The operating results are regularly reviewed and performance is assessed by its Chief Operating Decision Maker (CODM). All the company's resources are dedicated to this single segment and all the discrete financial information is available for this segment.

**W. Earnings per share**

Basic earnings per share is calculated by dividing profit or loss attributable to the owners of the company by weighted average number of equity shares outstanding during the financial year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, share split and any new equity issue. For the purpose of calculating diluted earnings per share, profit or loss attributable to the owners of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**X. Contingent liabilities**

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood on outflow of resources is remote, no provision or disclosure is made.

**Y. Financial and Management Information Systems**

The Company's Accounting System is designed to unify the Financial Records and also to comply with the relevant provisions of the Companies Act, 2013, to provide financial and cost information appropriate to the businesses and facilitate Internal Control.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**Z. Standards issued but not effective:**

Ind - AS 115 "Revenue from Contract with Customers

Ind AS 115 was issued in February 2015. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to the customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires

enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

This standard will come into force from accounting period commencing on or after 1<sup>st</sup> April, 2018. The company will adopt the new standard on the required effective date. The Company is in the process of making an assessment of the impact of Ind - AS 115 upon initial application, which is subject to changes arising from a more detailed ongoing analysis.

### 34. First-time adoption of Ind-AS

These Separate financial statements have been prepared voluntarily by the company for the year ended March 31, 2018 in accordance with Ind AS. For the purposes of transition to Ind AS, the company has followed the guidance prescribed in Ind AS101-First Time adoption of Indian Accounting Standard, with April 1, 2016 as the transition date and IGAAP as the previous GAAP. The company has prepared the opening balance sheet as per Ind AS as April 01, 2016 (the transition date by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. The transition to Ind AS has resulted in changes in the presentation of the financial statements, disclosures in the notes thereto and accounting policies and principles. The accounting policies set out have been applied in preparing the financial statements for the year ended March 31, 2018 and the comparative information.

#### A. Notes to the Reconciliations

- a) **Re-measurements of post-employment benefit obligations**  
Under Ind AS, re-measurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognized in other comprehensive income instead of the Statement of Profit and Loss. Under the IGAAP, these re-measurements were forming part of the Statement of Profit and Loss for the year.
- b) **Property, Plant and Equipment - Tangible Assets**  
Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous GAAP
- c) **Excise Duty**  
Under the IGAAP, revenue from sale of products was presented inclusive of excise duty. Under Ind AS, revenue from sale of goods is presented exclusive of excise duty. The excise duty paid is presented on the face of the Statement of Profit and Loss as part of expenses.
- d) **Deferred Tax**  
Under Ind AS deferred tax has been recognised on the adjustments made on transition to Ind AS. Leasehold land is a non-depreciable asset, Management is expecting that its carrying value will be recovered through sale and the indexation benefit at the time of disposal will be available, accordingly deferred tax asset on the difference between carrying value and indexed value has been created.
- e) **Retained Earnings**  
Retained earnings as at April 1, 2016 have been adjusted consequent to the above Ind AS transition adjustments.
- f) **Other comprehensive income**  
Under Ind AS, all items of income and expense recognized in a period should be included in the Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognized in the

Director

Statement of Profit and Loss but are shown in the Statement of Profit and Loss as 'Other comprehensive income' includes re-measurements of defined benefit plan. The concept of other comprehensive income did not exist under IGAAP.

**g) Investments**

Under Previous GAAP, investments were classified into current and long term investments. Current investments were carried at the lower of cost or market value, while long term investments were carried at cost less any impairment that was other than temporary.

Under Ind AS, equity investments have been classified as Fair Value through Profit and Loss (FVTPL). The Company has made an irrevocable election of present it in Profit and Loss statement (FVTPL). Fair value movements are recognized directly in Profit and Loss statement on such investments.

**h) Dividends**

Under Ind AS, dividends payable are recorded as a liability in the year in which these are declared and approved and obligation to pay is established. Under Previous GAAP, dividends payable were recorded as a liability in the year to which they relate. Accordingly dividend proposed in Financial Year 2015-2016 having carrying value of Rs 15,16,511 (including corporate dividend tax of Rs 2,56,511) have been adjusted in opening retained earnings of 1<sup>st</sup> April 2016 and have been shown in the year in which it was paid that is in Financial Year 2016-2017.

**i) Provision for expected credit losses**

Financial guarantees issued by the Company are accounted in Ind AS initially at fair value and subsequently measured at the higher of the loss allowance based on Ind AS 109; and the amount initially recognized, reduced by the amount of income recorded as per Ind AS 18. On the transition date, such contracts are measured based on the expected credit losses.

Under Previous GAAP, such estimates were determined based on experience of historic losses on such contracts.

Impairment for trade receivable is measured in Ind AS based on life time expected credit losses. Expected credit loss allowance is measured based on historical credit loss experience, defaults, bankruptcy and forward looking information where relevant adjusted for probability of recovery. Under Previous GAAP, provision for trade receivable is measured based on factors such as age of receivables, defaults etc. adjusted for probability of recovery.

**j) Revenue related Adjustments**

Company runs various promotional programmes for dealers. The Company estimates the fair value of those incentives/benefits given to the dealers and reduced it from total sales consideration to record revenue on net basis. This change has resulted in a decrease in total revenue and decrease in total expenses for the year ended March 31, 2018 by Rs. 4,04,96,143. There is no impact on the total equity and profit.

**B. Reconciliations between IGAAP and Ind AS**

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from IGAAP to Ind AS.

The presentation requirements under IGAAP differ from Ind AS and hence the IGAAP information has been reclassified for ease of reconciliation with Ind AS. The reclassified IGAAP information is derived based on the audited financial statements of the Company for the year ended March 31, 2016 and March 31, 2017.

**B) Commitments**

There are no non- cancelable capital commitments.

**37) Defined Benefit Plans/Long Term Compensated Absences :-**

**Description of Plans**

The Company makes contributions to both Defined Benefit and Defined Contribution Plans for qualifying employees. Gratuity Benefits are funded and Leave Encashment Benefits are unfunded in nature. The Defined Benefit Plans are based on employees' length of service.

The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method at the year end. The Company makes regular contributions to these Employee Benefit Plans. The net Defined benefit cost is recognised by the companies in Financial Statements.

**Risk Management**

The Defined Benefit Plans expose the Company to risk of actuarial deficit arising out of, interest rate risk and salary cost inflation risk and other factors.

**Interest Rate Risk:** The present value of Defined Benefit Plans liability is determined using the discount rate based on the market yields prevailing at the end of reporting period on Government bonds. A decrease in yields will increase the fund liabilities and vice-versa.

**Salary Cost Inflation Risk:** The present value of the Defined Benefit Plan liability is calculated with reference to the future salaries of participants under the Plan. Increase in salary due to adverse inflationary pressures might lead to higher liabilities. These Plans have a relatively balanced mix of investments in order to manage the above risks.

**Mortality & disability:** Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

**Withdrawals:** Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

## **INDEPENDENT AUDITOR'S REPORT To The Members of Shriram Pistons & Rings Limited Report on the Standalone Ind AS Financial Statements**

We have audited the accompanying standalone Ind AS financial statements of **Shriram Pistons & Rings Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2018 and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An auditor is required to perform procedures to obtain audit evidence about the amount and the disclosures in the standalone Ind AS financial statements. The procedures selected

depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2018, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
  - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
  - e) On the basis of the written representations received from the directors of the Company as on 31<sup>st</sup> March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as

**ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT  
(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Shriram Pistons & Rings Limited** ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

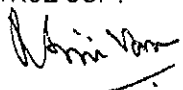

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

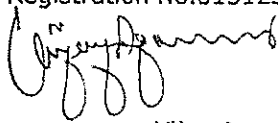

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**  
(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular program of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) Based on the examination of confirmation received by us from "IDBI Bank" custodian on behalf of all the term loans and working capital loan lenders, in respect of immovable properties of land that have been taken on lease and disclosed as "Non-current asset" in the financial statements, whose title deeds have been pledged as security for loans, are held in the name of Company.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for goods in transit for which subsequent receipts have been verified in most of the cases and no material discrepancies were noticed on physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) According to the information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees under Section 185 and 186 of the Companies Act, 2013 and hence reporting under clause (iv) of the Order is not applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and Companies (Acceptance of Deposits) Rules, 2014, as amended, with regard to the deposits accepted. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.

## Shriram Pistons & Rings Limited

Notes to the standalone financial statements for the year ended March 31, 2018

### 1. Corporate information

Shriram Pistons & Rings Limited ("the Company") is a public Company domiciled in India and incorporated on December 9, 1963 under the provisions of the Companies Act, applicable in India. Its equity share is listed on National Stock Exchange of India Ltd. The registered office of the Company is located at 3rd Floor, Himalaya House, 23, Kasturba Gandhi Marg, New Delhi 110001.

The Company's business activity falls under "automotive component". Primary products manufactured by the Company are pistons, piston pins, piston rings and engine valves.

The financial statements of the Company are approved for issuance by the Company's Board of Directors on May 22, 2018.

### 2. Significant accounting policies

#### 2.1.1 Basis of accounting and preparation of financial statements

The Standalone financial statements ("financial statements") have been prepared to comply with the Indian Accounting Standard (Ind AS) notified under section 133 of the Companies Act, 2013, read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017 issued by the Ministry of Corporate Affairs ('MCA').

The financial statements have been prepared under historical cost convention on accrual and going concern basis, except for the certain financial instruments which have been measured at fair value as required by relevant Ind ASs.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Effective April 1, 2016, the Company has adopted Indian Accounting Standards (Ind AS) and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards, with April 1, 2015 as the transition date. The transition was carried out from Indian GAAP as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

### Shriram Pistons & Rings Limited

#### Notes to the standalone financial statements for the year ended March 31, 2018

In addition for financial reporting purpose, fair value measurement are categorised into level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in the entirety, which are described as follows:

- Level 1: This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: This level includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

#### 2.1.2 Operating Cycle

Based on the nature of products/ activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

#### 2.2. Use of estimates

The preparation of the financial statements is in conformity with Indian Accounting Standards (Ind AS), requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

#### 2.3. Revenue recognition

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

- i) Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- ii) Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii) The amount of revenue can be measured reliably;
- iv) It is probable that the economic benefits associated with the transaction will flow to the Company; and
- v) The costs incurred or to be incurred in respect of the transaction can be measured reliably.

## Shriram Pistons & Rings Limited

### Notes to the standalone financial statements for the year ended March 31, 2013

Revenue from sale of goods is measured at the fair value consideration received or receivable. Amount disclosed as revenue are inclusive of excise duty and net of returns, trade discount, rebates, value added taxes, Goods and Service Tax, wherever applicable.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the interest rate as applicable.

Other revenues are recognised on accrual basis, except where there are uncertainties in realisation / determination of income and in such case income is recognised on realisation / certainty.

#### 2.4. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

#### 2.5.1. Property, plant and equipment

Property, plant and equipment held for use in production or supply of goods and services, or for administrative purpose, are stated at cost (net of cenvat / Input Tax Credits availed) including taxes and other incidental expenses related to acquisition, installation and borrowing cost on loan taken for the acquisition of qualifying assets upto the date the assets are ready for their intended use.

For this purpose, cost includes deemed cost which represents the carrying value of Property, plant and equipment recognised as at 1st April 2015 measured as per previous GAAP.

#### 2.5.2. Intangible assets

Intangible assets held for use in production or supply of goods and services, or for administrative purpose, are stated at cost (net of cenvat / Input Tax Credits availed) including taxes and other incidental expenses related to acquisition, installation and borrowing cost on loan taken for the acquisition of qualifying assets upto the date the assets are ready for their intended use.

For this purpose, cost includes deemed cost which represents the carrying value of Intangible assets recognised as at 1st April 2015 measured as per previous GAAP.

#### 2.5.3. Capital work-in-progress

Capital work-in-progress represents expenditure incurred in respect of capital projects under development and are carried at cost. Cost includes related acquisition expenses, development/ construction costs, borrowing costs and other direct expenditure.

#### 2.6. Depreciation and amortisation

Depreciable amount for assets is the cost of an asset or other amount substituted for cost, less its estimated residual value.

Notes to the standalone financial statements for the year ended March 31, 2018

The Company is following written down value method in case of Furniture, fixtures and office equipments and straight line method in respect of other assets.

Depreciation on tangible property, plant and equipment has been provided as per the useful life prescribed in Schedule II to the Act except in respect of the following categories of assets, in whose case the life of the assets has been assessed based on technical advice, taking into account the nature, the estimated usage, operating conditions of the asset, past history of replacement, anticipated technological changes and maintenance practices etc.

Plant and machinery

- General	-	twenty years
- Electric Installation / Equipment	-	fifteen years
- Dies	-	three years
Road	-	twenty years
Bore well	-	fifteen years
Vehicle	-	five years
Furniture and Fixture / Office Equipment	-	five years

All intangible assets are amortised on straight-line method over their estimated useful life of three years.

Assets costing upto Rs. 5,000 are fully depreciated in the year of acquisition.

Depreciation on assets acquired/sold/discarded during the year is charged on pro-rata basis except for Furniture, Fixtures and Equipments where full year's depreciation is computed in the year of acquisition and no depreciation is provided in the year of sale.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, and the effect of any changes in estimate is accounted for on a prospective basis.

An item of property, plant and equipment and intangible asset is derecognised on disposal, or when no future economic benefit are expected to arise from the continued use of assets. Any gain and loss arising on the disposal of or retirement is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognised in the statement of profit and loss.

2.7. Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition.

**Financial assets**

Regular way purchases or sales of financial assets are accounted for at trade date basis. Regular way purchases or sales are purchase or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

**Classification of financial assets**

Financial assets that meet the following conditions are subsequently measured at amortised cost

- i) Asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- ii) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- i) The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- ii) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through profit or loss**

Financial asset which are not classified in any of the above categories are subsequently measured at fair value through profit or loss (FVTPL).

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost.

**Investments**

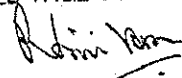

Non current investment is carried at cost less impairment. Any permanent diminution in the value of non current investments is provided for in the books of account.

**Financial liabilities**

All financial liabilities are subsequently measured at amortised cost or at fair value through profit or loss (FVTPL). For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Fair value is determined in the manner described in note no 41.

### 2.8. Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts and cross currency interest rate swaps.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the statement of profit and loss depends on the nature of the hedging relationship and the nature of the hedged item.

#### (i) Financial assets or financial liabilities, at fair value through profit or loss.

This category has derivative financial assets or liabilities which are not designated as hedges. Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through the statement of profit and loss and the resulting exchange gains or losses are included in the statement of profit and loss. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the Balance sheet date.

#### (ii) Hedge accounting

The Company designates the derivatives as hedge of foreign exchange risk associated with the cash flows of highly probable forecast transaction, variable interest risk and foreign exchange risk associated with borrowings.

The Company documents at the inception of the hedging transaction the economic relationship between hedging instrument and hedge items. The Company documents its risk management objective and strategy for undertaking various hedge transactions at the inception of each hedge relationship.

When forward contracts are used to hedge forecast transactions, the Company generally designates related forward contract related as the hedging instruments.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges, is recognised in other comprehensive income and accumulated under the heading of cash flow hedge reserve. The gain or loss relating to the ineffective portion is recognised immediately in the statement of profit and loss. Amounts previously recognised in other comprehensive income and accumulated in equity relating to (effective portion as described above) are reclassified to the statement of profit and loss in the periods when the hedged item affects profit or loss, in the same line as the recognised hedged item. For the same, Company matches derivative financial instruments and hedge instruments.

Notes to the standalone financial statements for the year ended March 31, 2018

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction and cross currency interest rate swap transaction is ultimately recognised in the statement of profit and loss. When a forecast transaction and cross currency interest rate swap transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in the statement of profit and loss.

Fair value is determined in the manner described in note no 41.

2.9. Inventories

Inventories are valued on the following basis:

- i) Raw materials and components - at lower of cost determined on weighted average basis or net realisable value.
- ii) Stock in process - at lower of cost or net realisable value.
- iii) Finished goods stock - at lower of cost including excise duty, as applicable, or net realisable value.

Cost of raw materials includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work in progress includes cost of direct materials and labour and an appropriate proportion of manufacturing overheads based on the normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.10. Foreign currency transactions and translations

Transactions in foreign currency are recorded on initial recognition at the exchange rate prevailing on or closely approximating to the date of transaction.

At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise except exchange differences on transactions entered into in order to hedge certain foreign currency risks.

For foreign currency denominated financial assets measured at fair value through profit or loss, the exchange differences are recognised in statement of profit and loss except for those that are designated as hedging instruments in a hedging relationship.

**2.11. Employee benefits**

**Retirement benefit costs and termination benefits:**

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Contribution towards Provident Fund and Superannuation Fund is paid as per the statutory provisions/Company's scheme. These benefits are charged to the statement of profit and loss of the year when they become due. For the provident fund trust administrated by the trustees, the Company is liable to meet the shortfall, if any, in payment of interest at the rates declared by Central Government and such liability is recognised in the year of shortfall. For defined post employment employee benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to the statement of profit and loss. Past service cost is recognised in the statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorised as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expense or income; and
- iii) remeasurement.

**Short-term and other long-term employee benefits:**

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Leave availment / encashment benefit is provided as per Company's scheme. Employee's are entitled to accumulate leaves subject to certain limit as per Company's scheme.

Liabilities for compensated absence that are not expected to be settled wholly within 12 months after the end of the period in which the employees rendered the related service, are measured at the present value of expected future payment to be made in respect of service provided by employees up to the end of reporting period using the projected unit credit method. The benefit are discounted using the market yields at the end of reporting period. Remeasurement as a result of expected future payments and change in actuarial assumptions are recognised in the statement of profit and loss.

### Notes to the standalone financial statements for the year ended March 31, 2018

Employee benefits in the form of long service awards is provided as per Company scheme. The liability is determined through actuarial valuation using projected unit credit method.

#### 2.12. Research and development

Revenue expenditure on research and development, inclusive of dies for model development, is charged as expense in the year in which incurred. Capital expenditure is included in Property, plant and equipment.

#### 2.13. Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

At lessee, assets held under finance leases are initially recognised as assets of Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance sheet as a finance lease obligation.

Rental expense from operating leases is recognised on a straight-line basis over the term of the relevant lease. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

#### 2.14. Taxes on income

Income tax expense represents the sum of the tax currently payable and deferred taxation.

##### Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax is calculated using tax rates that have been enacted by the end of the reporting period.

##### Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

2.15. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

2.16. Earnings per share

Basic earnings per share is calculated by dividing profit or loss attributable to the owners of the Company by weighted average number of equity shares outstanding during the financial year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue, share split and any new equity issue.

For the purpose of calculating diluted earnings per share, profit or loss attributable to the owners of the Company and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.17. Impairment of assets

The carrying values of assets / cash generating units at each Balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased such reversal of impairment loss is recognised in the statement of profit and loss.

2.18. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

2.19. Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources.

When there is a possible obligation or a present obligation in respect of which the likelihood on outflow of resources is remote, no provision or disclosure is made.

2.20.1 Recent accounting pronouncement issued but not yet effective upto the date of issuance of financial statements

In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2018, notifying Ind AS 115, 'Revenue from Contracts with Customers' (a new revenue standard) and Appendix B to Ind AS 21, 'Foreign Currency Transactions and Advance Consideration'. These amendments are applicable to the Company from April 1, 2018

2.20.2 Ind AS 115, Revenue from Contracts with Customers

This standard requires an entity to recognise revenue on the basis of 5 step model given in the standard. The Standard focuses on identification of various performance obligations on the basis of promised goods and services to the customers as per contract, allocation of contract price on the various performance obligations and recognition of revenue when entity satisfies the performance obligation. The Standard Scopes out lease agreements from its scope.

There is no impact on transition of Ind AS 115 (new standard) from Ind AS 18 (old standard) on Revenue.

2.20.3 Appendix B to Ind AS 21, Foreign Currency Transactions and Advance Consideration

Appendix B to Ind AS 21, foreign currency transactions and advance consideration clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency. The sensitivity analysis has been determined based on possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis present above may not be representative of the actual change in the defined obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be co-related.

**Risk Factors in actuarial assumptions**

**Interest Rate Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.

**Liquidity Risk:** This is the risk that the Company is not able to meet the short term gratuity payouts. This may arise due to non availability of enough cash/ cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

**Salary escalation Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary use to determine the present value of obligation will have a bearing on the plan's liability.

**Demographic Risk:** The Company has used certain mortality and attrition assumption in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

**Asset Liability Mismatching or Market Risk:** The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/ fall in interest rate.

**Investment Risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

**Regulatory framework/ Governance / Benefits under the plan:**

The gratuity benefit is a post employment benefit. It is calculated at the terminal salary (Basic+VDA) at the time of retirement/ resignation of the employee according to the provisions of Payment of Gratuity Act, 1972. However, there is no restriction on the maximum amount of gratuity payable. The plan assets are managed by independent Board of Trustees, appointed by the Company. The trust is a separate legal entity and is recognized by the Commissioner of Income Tax, under the provisions of Schedule IV of the Income Tax Act, 1961.

The Board of trustees manages the plan assets through Life Insurance Corporation of India (LIC), SBI Life Insurance, Bajaj Allianz Life Insurance Company and HDFC Standard Life Insurance Co. Under this policy, the eligible employees are entitled to receive gratuity payments upon their resignation or death in lumpsum after deduction of necessary taxes. The fund managers do not disclose the composition of their portfolio investment, accordingly break-down of plan assets by investment type has not been disclosed.

**Asset Liability Matching Strategies**

The Company has purchased insurance policy, which is a cash accumulation plan. Interest on the fund balances during the year is accumulated at the interest rate declared by insurance company at the end of the financial year. Gratuity claims are settled by the insurance company out of the fund, thus negating any liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of the liabilities. Thus, the Company is exposed to movement in interest rate.

**Effect of plan on Entity's future cash flows**

The company has purchased insurance policies to provide for payment of gratuity to the employees. The contribution to the funds are made on a quarterly basis based on estimated shortfall in plan assets from liabilities. Expected contribution during the next annual reporting period is Rs 115.12 million (Rs 114.41 million) Maturity profile of the defined benefit obligation based on weighted average duration is 10 Years

iii) **Compensated Absences**

	Year ended 31 March, 2018	Year ended 31 March, 2017
Present value of DBO	390.69	370.22
Expected status (Surplus / (Deficit))	(390.69)	(370.22)

iv) **Provident fund**

The Company has a defined obligation to pay any shortfall in yield of the trust's investments over the rate declared by Government. The rate is determined annually predominantly considering the local rather than economic factors and in most cases the actual return earned by the Company has been higher than the rate declared by Government.

ii) **Fair value hierarchy**

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques:

The following is the basis of categorising the financial instruments measured at fair value into Level 1 to Level 3.

Level 1 - This level includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - This level includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - This level includes financial assets and liabilities, measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

**42. Capital management**

The Company's objective for managing capital is to ensure as under:

- i) To ensure the company's ability to continue as a going concern
- ii) Maintaining a strong credit rating and debt equity ratio in order to support business and maximize the shareholders' value.
- iii) Maintain an optimal capital structure.
- iv) Compliance of financial covenants under the borrowing facilities.

For the purpose of capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company.

The Company manages its capital structure keeping in view of:

- i) Compliance of financial covenants under the borrowing facilities.
- ii) Changes in economic conditions

In order to achieve this overall objective of capital management, amongst other things, the Company aims to ensure that it meets financial covenants attached to the borrowings facilities defining capital structure requirements, where breach in meeting the financial covenants may permit the lender to call the borrowings.

There have been no breach in the financial covenants of any borrowing facilities in the current period. There is no change in the objectives, policies or processes for managing capital in the previous year. To maintain the capital structure, the Company may vary the dividend payment to shareholders.

**43. Financial risk management**

The Company's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that it derives directly from its operations. The Company also holds FVTPL current investments and enters into derivative transactions. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks under appropriate policies and procedures.

**i) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTPL current investments and derivative financial instruments.

**a) Foreign exchange risk**

The Company is exposed to foreign exchange risk through its sales and purchases from overseas in foreign currencies mainly in USD, EURO and JPY. The Company holds derivative financial instruments such as foreign exchange forward and contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The exchange rate between the rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently, the results of the Company's operations are adversely affected as the rupee appreciates/ depreciates against these currencies.

Each percentage point change in the foreign exchange rates has an impact of 0.49% (previous year : 0.59%) on Company's operating margins.

The Company's foreign currency risk from financial instruments are as under

(Foreign currency million)

Particulars	Currency	As at March 31, 2018			As at March 31, 2017		
		Total	Hedged	Net	Total	Hedged	Net

Secured Bank Loans	USD	11.80	11.80	0.00	20.10	20.10	0.00

**b) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. To manage this, the Company enters into cross currency interest rate swaps, in which it agrees to exchange, at specified intervals, the difference between fixed and variable rate interest amounts calculated by reference to an agreed-upon notional principal amount.

The Company is not exposed to any significant /material interest rate risk.

**ii) Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. Credit risk is managed by company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. The Company uses expected credit loss model to assess the impairment loss and makes an allowance for doubtful debts using expected credit loss model on case to case basis.

**iii) Liquidity risk**

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans. Liquidity risk is managed by company's established policy & procedures made under liquidity risk management framework. The Company manages liquidity risk by maintaining adequate reserves, banking facilities, and reserve borrowing facilities by continuously forecast and actual cash flows, and by matching the maturity profile of financial assets and liabilities. The financial assets and liabilities are appropriately disclosed in financial statements as current and non current portion. The maturity period of non current financial assets and financial liabilities are as follows:

44. Hedge Accounting

i) Forwards Contracts

The Company holds derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counter party for these contracts is generally a bank or a financial institution. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in active markets or in puts that are directly or indirectly observable in the market place.

Details of Forward Foreign Currency Contracts outstanding at the end of reporting period are as under:

Outstanding Contracts	Currency	(Foreign currency million)	
		As at March 31, 2018	As at March 31, 2017
Not later than one month	USD	1.46	1.00
	EUR	1.40	0.80
	JPY	80.00	81.07
	GBP	0.06	0.00
Later than one month and not later than three months	USD	1.91	0.00
	EUR	2.55	2.60
	JPY	150.00	180.30
	GBP	0.07	0.00
Later than three months and not later than one year	EUR	2.00	0.00
	JPY	0.00	75.00

The Company has designated foreign exchange forward contracts as cash flow hedges to mitigate the risk of foreign exchange exposure on highly probable forecast cash transactions. The related hedge transactions for balance lying in cash flow hedging reserve are expected to occur and reclassified in the statement of profit or loss within 6 months. Hedge effectiveness is determined at the inception of the hedge relationship. To ensure that an economic relationship exists between the hedged item and hedging instrument, the Company matches the critical terms of the hedged items and hedging instruments.

ii) Cross currency Interest Rate Swaps

Under cross currency interest rate swap contracts, the Company agrees to exchange the principal and interest payment of its loans liabilities in foreign currency for equivalent amount in net present value terms in Indian rupees. Such contracts enable the Company to mitigate the risk of exchange rate and cash flow exposures on the issued variable rate debt in foreign currency.

Hedge effectiveness is determined at the inception of the hedge relationship. To ensure that an economic relationship exists between the hedged item and hedging instrument, the Company matches the critical terms of the hedged items and hedging instruments.

iii) Reconciliation of cash flow hedge reserve are as under:

In terms of Regulation 37 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 (LODR Regulations) read with SEBI Circular No. CFD/ DIL3/CIR/ 2017/21 dated March 10, 2017, the listed company undertaking a scheme of arrangement for amalgamation is required to submit to stock exchange, copy of fairness opinion obtained from the Merchant Banker on the valuation of shares / assets of the companies done by the independent valuer.

With reference to above, we Finshore Management Services Limited, a SEBI Registered (Cat-I) Merchant Banker have been appointed to provide our fairness opinion on the same.

Brief Background of the Companies, our opinion and basis for forming an opinion and caveats is as hereunder:

### 1. Background of companies:

- 1.1 SAPL is an unlisted public limited Company incorporated under the Companies Act, 1956 having CIN U34300DL1982PLC014285 and having its registered office at 4th Floor, Himalaya House, 23 K.G. Marg, New Delhi – 110001 and having as its main objects to carry on the business as dealers, merchants traders, commission agents, buying agents, import – export, etc. of all types of engineering goods, Cylinder Liners, Valve Guides, Pistons, Piston rings, Piston pins etc. The said Company was originally incorporated under the name of Canind Sales Private Ltd. on 2nd September, 1982 and vide fresh certificate of incorporation consequent to change of name the Company dated 11.11.1991 the name of the Company was changed to Shriram Automotive Products Ltd
- 1.2 SPRL is a public limited company incorporated under the Companies Act, 1956 having CIN L29112DL1963PLC004084 and having its registered office at 3rd Floor, Himalaya House, 23 K.G. Marg, New Delhi -110001. It is listed on National Stock Exchange (NSE) and is presently engaged in the business of manufacturing and selling interalia Piston Assembly, Piston Rings, Piston Pins, Engine Valves etc. The Company was originally incorporated on 9th December, 1963 under the name of Shama Pistons & Rings Ltd. and the name was subsequently changed vide Fresh Certificate of Incorporation consequent on change of name issued by the Assistant Registrar of Companies Delhi and Haryana on 25.10.1972.

### 2. Basis of our opinion

#### 2.1 Rationale of the Proposed Scheme (as per extract of draft Proposed Scheme of arrangement for amalgamation)

It is proposed to consolidate the operations/ business of the Transferor Company and the Transferee Company into a single company by amalgamation of the Transferor Company with the Transferee Company pursuant to a Scheme of Amalgamation under Sections 230-232 and other applicable provisions, if any, of the Companies Act, 2013. The amalgamation of the Transferor Company with the Transferee Company would result, *inter-alia*, in the following benefits: -

- a. Help in increasing sales in both Domestic & Exports Market;
- b. Economize on administrative and other expenses;
- c. Increase the efficiency of combined business by pooling of resources and their optimum utilization, thereby availing synergies from combined resources;

- utilization, thereby availing synergies from combined resources;
- d. Facilitate expansion of business offerings by the Transferee;
  - e. Improve management focus and facilitate the unified control over operations;
  - f. Leverage the operational, capital and corporate synergies and help optimal utilization of resources viz. business promotion, managerial pool, etc.;
  - g. Reduce overheads, administrative, managerial and other expenditure;
  - h. Seamless availability of technical expertise and
  - i. Facilitate greater integration, provide greater financial strength, which would result in maximizing overall shareholder value and will improve the competitive position of the combined entity.

2.2 For arriving at the opinion on the fairness of the valuation of shares / assets of the companies, we have relied upon the following information, as provided to us by the Management of the Companies:

- 2.2.1 Brief background of the business of SPRL and SAPL;
- 2.2.2 Valuation of 100 % equity of SAPL report dated May 10, 2018, issued by M/s.J C Bhalla & Co (Independent Valuer).
- 2.2.3 Audited financial statements of SPRL and SAPL for the financial years ended 31<sup>st</sup> March 2015, 31<sup>st</sup> March 2016, 31<sup>st</sup> March 2017 and Management Certified financial statements of SPRL and SAPL for the financial year 31<sup>st</sup> March'2018.
- 2.2.4 Draft Scheme of Arrangement of proposed amalgamation;
- 2.2.5 Discussions with the management of Companies including necessary information, explanations and representations provided by the management;

### 3. Valuer's Approach to Valuation

M/s. J C Bhalla & Co, in its valuation report recommending value of 100 % equity of SAPL for the proposed amalgamation have stated that they have used the following valuation methodologies and applied appropriate weights to arrive at the fair valuation.

- **Income Approach - Discounted Cash Flow Method (80%)**
- **Market Approach – Trading Multiple Method (20%)**

Valuer has assigned lower weightage of 20% to Market approach and 80% to Income Approach considering the fact that there is only one listed guideline company akin to the Transferor Company

Considering the above valuation methodologies, M/s. J C Bhalla & Co., in its valuation report have arrived at INR 4003.80 Lakhs as the Fair Market Value of 100% equity value of SAPL in accordance with CAS-1.

And as informed by the Management of SPRL that the consideration of Amalgamation of SAPL with SPRL would be discharged as under:

- Allotment of 24 (Twenty Four) Nos. of 4.2% fully paid up Non-Participating, Redeemable, Non-Convertible, Cumulative Preference Shares of Rs. 100 each, of SPRL for every 1 (one) equity share of SAPL.

&

- Balance consideration to be paid in Cash.

**4. Conclusion and Our Opinion**

4.1 With reference to above and based on information provided by Management and after discussions with the Valuer, we understand that the Proposed Scheme has been structured to consolidate the business of SAPL with SPRL. The proposed amalgamation is driven by motive to achieve synergies through focused business segments and leverage on its operations for future growth.

4.2 With reference to the valuation of the Companies, we are of opinion that the Valuer, to arrive at the fair valuation, has rightly opted the valuation methodologies considering the facts and circumstances of each company and has assigned appropriate weightages to arrive at the fair values .

4.3 *“Considering above and subject to our caveats as provided in annexure, we as a Merchant Banker hereby certify that we have reviewed the valuation report recommending the exchange ratio for the proposed scheme of arrangement for amalgamation of Transferor Company with Transferee Company and are of the opinion that following exchange ratio:-*

- ✓ 24 (Twenty Four) Nos. of 4.2% fully paid up Non-Participating, Redeemable, Non- Convertible, Cumulative Preference Shares of Rs. 100 each, of SPRL for every 1 (one) equity share of SAPL.

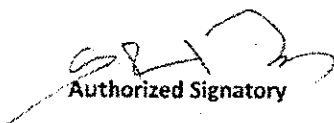

&

- ✓ Payment of Cash consideration of Rs. 930/- (Rupees Nine Hundred Thirty only) for every 1 (one) equity share of SAPL.

*as fair and reasonable to the equity shareholders of Transferor Companies and Transferee Company”*

## EXTRACTS FROM MINUTES OF MEETING OF BOARD OF DIRECTORS HELD ON 22.05.2018

- 64. Agenda Item 'F' pertaining to "Amalgamation of Shriram Automotive Products Ltd." was considered.

It was noted that the Board of Directors in its Board Meeting held on 31.03.2018 has granted "in-principle" approval for Amalgamation of M/s Shriram Automotive Products Ltd. (SAPL) with Shriram Pistons & Rings Ltd. (SPRL). It was resolved that the Scheme of Amalgamation along with other related documents be placed at a subsequent Board Meeting.

The Board considered the proposal to Amalgamate SAPL with Company. It was noted that Amalgamation will help in leveraging marketing/distribution strength of both companies in domestic and exports Aftermarket to increase sales and realize significant synergies in operations and create competitive advantage leading to expansion of Product Range, Sales growth and improve profitability of the Company.

It was noted that the proposed Amalgamation shall be undertaken through a Scheme of Amalgamation under Section 230 to 232 of the Companies Act, 2013, with due approval of the National Company Law Tribunal (NCLT).

It was further noted that SAPL is a related party.

The proposed Scheme of Amalgamation was considered by the Audit Committee in its meeting held on 22.05.2018, on the basis of the valuation made by M/s. J.C. Bhalla & Co., Chartered Accountants, New Delhi, an Independent Valuer, including discharge of consideration (partly by way of issuance of Preference Shares and balance by payment in cash), and Fairness Opinion Certificate provided by M/s. Finshore Management Services Ltd., Kolkata, SEBI registered Merchant Banker, as tabled in the meeting, being price sensitive information. The Audit Committee has recommended the Scheme to the Board of Directors for their consideration.

It was further noted that SAPL have informed that the Scheme of Amalgamation was also placed in the meetings of their Audit Committee and Board of Directors held on 21.05.2018 and was duly approved.

*Miniram*

The Board deliberated the Amalgamation Scheme, Valuation Report by Independent Valuer, Fairness Opinion Certificate by SEBI registered Merchant Banker and the Report of Audit Committee recommending the draft Scheme of Amalgamation, and unanimously approved the scheme to amalgamate the entire business and undertaking of SAPL (as defined in the Scheme) with the Company under the provisions of Section 230 to 232 and other applicable provisions of the Companies Act, 2013 including any statutory modification(s) or re-enactment(s) thereof and subject to compliance of all applicable Securities Laws, Regulation and Circulars.

The Board resolved that pursuant to the provisions of Section 230 to 232 and other relevant provisions of the Companies Act, 2013 read with Rules made there under including any statutory modification(s) or re-enactments thereof and subject to all relevant Securities Laws, Regulations and Circulars, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR), Memorandum and Articles of Association (MOA and AOA) and subject to the necessary approvals of the Shareholders of the Company, sanction of the NCLT, Securities and Exchange Board of India (SEBI) and National Stock Exchange (NSE) as the Designated Stock Exchange and subject to compliance with all applicable laws and regulations and receipt of all relevant corporate, regulatory, governmental, judicial approvals and third party consents including creditors consent, the scheme of Amalgamation of Shriram Automotive Products Limited with Shriram Pistons and Rings Ltd in terms of the draft Scheme placed before the Board and duly initiated by the Chairman for the purpose of identification, be and is hereby considered and approved with effect from 01.04.2018, being the 'Appointed date' and the equity shareholders of SAPL as on Record Date, be paid an aggregate consideration of Rs. 40,03,99,200/- (Rupees Forty Crore Three Lac Ninety Nine Thousand Two Hundred Only), as per the terms and conditions mentioned in the Scheme, as under:

- a total of 28,85,760 (Twenty Eight Lac Eighty Five Thousand Seven Hundred and Sixty) 4.2% fully paid up Non-participating, Redeemable, Non- Convertible, Cumulative Preference Shares of Rs. 100/- each at par, aggregating to Rs. 28,85,76,000/- (Twenty Eight Crore Eighty Five Lac Seventy Six Thousand Only) and
- cash consideration of Rs. 11,18,23,200/- (Rupees Eleven Crore Eighteen Lac Twenty Three Thousand Two Hundred Only).

*Shriram*

The fully paid up Non-participating, Redeemable, Non- Convertible, Cumulative preference shares shall be allotted and the cash consideration shall be paid to the equity shareholders of SAPL in the proportion of equity shares held by them in SAPL, in the following exchange ratio:

- a) 24 (Twenty Four) Nos. of 4.2% fully paid up Non-participating, Redeemable, Non- Convertible, Cumulative Preference Shares of Rs. 100/- each, of SPRL for every 1 (one) equity share of SAPL, redeemable at par on expiry of 5 years from the date of Allotment, not later than 30 Days from the scheme of Amalgamation becoming effective. SPRL shall have an option to redeem at par these preference shares on expiry of 6 months from the date of allotment or 30.06.2019, whichever is later.
- b) Payment of Cash consideration of Rs. 930/- (Rupees Nine Hundred Thirty only) for every 1 (one) equity share of SAPL, not later than 30 Days from the date of scheme of Amalgamation becoming effective.

The Board further resolved that any two of Shri Pradeep Dinodia, Chairman, Shri Inderdeep Singh, Director and Shri R Srinivasan, Joint Managing Director & Company Secretary of the Company, be and are hereby, authorized to make such alterations and changes in the Draft Scheme of Amalgamation as may be expedient or necessary.

## EXTRACT OF MINUTES OF BOARD OF DIRECTORS' MEETING OF 21.5.18

### ITEM NO. 8

"Agenda Item No. 8 pertaining to "Amalgamation of Shriram Automotive Products Ltd. with Shriram Pistons & Rings Ltd." was considered.

It was noted that the Board of Directors in its Board Meeting held on 9.4.18 has granted "in-principle" approval for Amalgamation of the Company with Shriram Pistons & Rings Ltd. (SPRL). It was resolved that the Scheme of Amalgamation along with other related documents be placed at a subsequent Board Meeting.

The Board considered the proposal to Amalgamate the Company with SPRL. It was noted that SPRL is engaged in manufacturing and marketing of IC Engine Components under Technical Collaboration Agreements with world leaders and is a leader in its products segment. Therefore, the combined business of both the companies shall be of greater advantage to the Stakeholders.

It was noted that the proposed Amalgamation shall be undertaken through a Scheme of Amalgamation under Section.230 to 232 of the Companies Act, 2013, with due approval of the National Company Law Tribunal (NCLT).

It was further noted that SPRL is a related party.

The proposed Scheme of Amalgamation was considered by the Audit Committee in its meeting held on 21.05.18, on the basis of the valuation made by M/s. J.C. Bhalla & Co., Chartered Accountants, New Delhi, an Independent Valuer and Fairness Opinion Certificate provided by SEBI registered Merchant Banker, as tabled in the meeting, being price sensitive information. The Audit Committee has recommended the Scheme to the Board of Directors for their consideration.

The Board deliberated the Amalgamation Scheme, Valuation Report by Independent Valuer & Fairness Opinion Certificate by SEBI Registered Merchant Banker and unanimously approved the scheme to amalgamate the entire business and undertaking of the Company (as defined in the Scheme) with SPRL under the provisions of Section 230 to 232 and other applicable provisions of the Companies Act, 2013 including any statutory modification(s) or re-enactment(s) thereof.

The Board resolved that pursuant to the provisions of Section 230 to 232 and other relevant provisions of the Companies Act, 2013 read with Rules made there under including any statutory modification(s) or re-enactments thereof and subject to Memorandum and Articles of Association (MOA and AOA) and subject to the necessary approvals of the Shareholders of the Company, sanction of the NCLT, and subject to compliance with all applicable laws and regulations and receipt of all relevant corporate, regulatory, governmental, judicial approvals and third party consents including creditors' consent, the scheme of Amalgamation of Shriram Automotive Products Limited with Shriram Pistons and Rings Ltd in terms of the draft Scheme placed before the Board and duly initialed by the Secretary for the purpose of identification, be and is hereby considered and approved with effect from 1.4.18, being the 'Appointed date' and the equity shareholders of SAPL as on Record Date, be paid an aggregate consideration of Rs. 40,03,99,200/- (Rupees Forty Crores Three Lacs Ninety Nine Thousand & Two Hundred Only), as per the terms and conditions mentioned in the Scheme, as under:

- a total of 28,85,760 (Twenty Eight Lacs Eighty Five Thousand Seven Hundred & Sixty) 4.2% fully paid up Non-participating, Redeemable, Non- Convertible, Cumulative Preference Shares of Rs. 100/- each at par, aggregating to Rs. 28,85,76,000/- (Twenty Eight Crores Eighty Five Lacs Seventy Six Thousand Only) of Shriram Pistons & Rings Ltd. and
- cash consideration of Rs. 11,18,23,200/- (Rupees Eleven Crores Eighteen Lacs Twenty Three Thousand Two Hundred Only) by Shriram Pistons & Rings Ltd.

The fully paid up Non-participating, Redeemable, Non- Convertible, Cumulative preference shares shall be allotted and the cash consideration shall be paid to the equity shareholders of SAPL in the proportion of equity shares held by them in SAPL, in the following exchange ratio:

- a) 24 (Twenty Four) Nos. of 4.2% fully paid up Non-participating, Redeemable, Non- Convertible, Cumulative Preference Shares of Rs. 100/- each, of SPRL for every 1 (one) equity share of SAPL, redeemable at par on expiry of 5 years from the date of Allotment, not later than 30 days from the scheme of Amalgamation becoming effective. SPRL shall have an option to redeem at par these preference shares on expiry of 6 months from the date of allotment or 30.06.19, whichever is later.
